Trustees' report Year to 31 March 2015

The Trustees present their report and the independently audited financial statements of IM01 Limited (operating as "Inter Mediate") for the year ended 31 March 2015. These have been prepared in accordance with the accounting policies set out on pages 13 to 14 and comply with the charitable company's memorandum and articles of association, applicable law and the requirements of Statement of Recommended Practice on "Accounting and Reporting by Charities" issued in October 2005.

The report has been prepared in accordance with Part 8 of the Charities Act 2011 and also constitutes a directors' report as required by section 418 of the Companies Act of 2006.

Structure, governance and management

Inter Mediate is registered with Companies House (on 30 March 2011) and the Charity Commission (on 19 September 2011). The constitution of Inter Mediate is filed with Companies House and provides inter alia for the appointment and removal of the trustees who constitute directors of the charity for the purposes of Companies Act 2006.

The charity is a company limited by guarantee governed by a board comprised of its trustees that may consist of between 3-8 members. There are currently six trustees. On the anniversary of incorporation, at least one third of the trustees retires by rotation, and may be eligible for re-election. During the course of the year elections were held for the appointment of the Chair and remaining board members. The Chair and all members were re-elected to serve another term. A trustee may serve for a period of up to eight years in total. The chairman is elected from the board of trustees. Inter alia the trustees set the policy and strategy of the charity, and review its progress. They hold at least two meetings per year, and additional meetings can be arranged as required.

The composition of the board of trustees, both in regards to numbers and the mix of skills and experience, is kept under review. When circumstances justify or vacancies arise, individuals with appropriate qualifications are invited to become trustees and are elected by existing trustees or otherwise as the constitution provides. All trustees are unpaid.

The Finance & Audit committee met in February 2015. The board has appointed a Chair of the committee, who commenced on 1 June 2015. The Chairman of the board of trustees continued to act as head of the committee until 31 May 2015.

Inter Mediate has in place a set of principles which are applied for identifying transactions and decisions in which individuals may have a personal interest, and a process for managing potential conflicts of interest. These principles apply to individuals at all levels in the decision making process, including trustees, employees and external advisors.

Day-to-day management of Inter Mediate is delegated to the Chief Executive, who works with his staff and external specialists and mediators.

Trustees' report Year to 31 March 2015

Structure, governance and management (continued)

The Trustees who served throughout the year, except where stated, were:

Dennis Stevenson

Christopher James

Michael Hatchard

Lyse Doucet

Jasmine Zerini (appointed 1 June 2015)

Eamonn McGrath (appointed 1 June 2015)

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those relating to the specific operational areas of the charity, and its donations and finances. The trustees believe that by monitoring reserve levels, by ensuring controls exist over key financial systems, and by examining and developing contingencies to address the operational and business risks faced by the charity, they have been able to establish effective systems to mitigate those risks, including safety and security of staff travelling to conflict zones.

To reinforce existing safety and security measures, the charity engages a specific travel and general security risk mitigation advisory service, which is at the disposal of all staff and consultants working for the organisation. This year the charity has provided for all staff that travel regularly to the field to attend a three day Hostile Environment and First Aid training course. In addition Inter Mediate negotiated with our insurers (within the cost of our premium) to provide crisis management training to senior management.

The risk register was updated, and while risks are reviewed on an ongoing basis, a comprehensive risk review is carried out once a year.

Public benefit

The trustees consider that they have complied with Section 4 of the Charities Act 2011 with regard to the guidance on public benefit published by the Charity Commission. The paragraphs below demonstrate the public benefit arising through the charity's activities, namely to create the conditions for the lasting resolution of violent conflict, the advancement of conflict resolution and reconciliation through dialogue and mediation.

Trustees' report Year to 31 March 2015

Objectives and Activities

As a neutral and non-partisan organisation the charity's objective is to help create the conditions for the lasting resolution of violent conflict, the advancement of conflict resolution and reconciliation through dialogue and mediation.

The four main strategic objectives are to:

- build trust between parties to a conflict by helping build the relationships that will underpin a channel of communication between the sides;
- open sustainable and effective channels of communication between parties by acting as a mediator or intermediary or advisor to the relevant parties;
- prepare parties for effective participation in negotiations through promoting best practice, training and sharing lessons learned;
- initiate effective negotiations between parties by engaging in sustained, low-profile, in-country engagement to support the emergence of lasting peace settlements.

To this end Inter Mediate has carried out the activities described below:

Achievements, performance and future plans

Overview

In 2014-15, Inter Mediate continued to expand our portfolio of work and deepen our relationships with existing parties. There was a noticeable increase in the amount of requests for Inter Mediate's support and a new government donor came on board. Our staff and network of specialists were increasingly approached directly as parties to conflict, NGO actors and donor governments around the world have become increasingly aware of the unique offering that is our advice, mediation and negotiation support.

Projects and partnerships

During the course of the year, Inter Mediate set up and ran eight funded projects in the Americas, Africa, the Middle East, and Asia. Many of these will continue into next year. Inter Mediate staff provided strategic guidance, negotiation training and technical assistance to governments and opposition groups. Working with an expanding network of negotiation, conflict resolution and country specialists, and in three cases through partnerships with other organisations, Inter Mediate has effectively leveraged the experience of its staff to maximise our reach and impact. Inter Mediate has also maintained very high standards of discretion and confidentiality. Appropriate information management and the protection of politically sensitive discussions are at the core of the organisation's ability to operate effectively.

Inter Mediate has also dedicated significant efforts toward scoping and assessment work in support of new project development. This due diligence activity, which is critical to establishing relationships and identifying opportunities for engagement, underpins the organisation's ability to then raise government funding for longer-term projects.

Trustees' report Year to 31 March 2015

Projects and partnerships (continued)

As before, Inter Mediate will continue to pursue the work begun around the world. We will also explore additional opportunities to engage in existing and new regions particularly in situations where no dialogue between the sides exists or where Inter Mediate's expertise can add significant value to current efforts.

In April 2014, the Chief Executive accepted the appointment, as part of Inter Mediate, as the Prime Minister's Special Envoy on Libya.

With the assistance of a Monitoring & Evaluation specialist, Inter Mediate carried out evaluations of two projects to ensure we remain apprised of the effectiveness and impact of our work. It has proven challenging to capture the political advisory work and the organisation is continuing to refine the best way of doing this. These efforts will help us ensure the charity is concentrating its effort on the most effective approaches within projects.

In 2014-15, Inter Mediate developed partnership arrangements with two NGOs and started developing a working relationship with a newly established inter-government organisation. These partnerships have allowed the charity to maximise its impact through engagement with other professionals who bring complementary expertise and experience to bear on the projects.

Donors and fundraising

Inter Mediate continued to expand its project funding base and arranged funding for projects from two new government donors.

The private unrestricted funds raised in 2012-13 continued to support our work in 2014-15. Nevertheless, the board remains focused on maintaining a strong balance sheet, and so the charity continued to engage private donors with a view to raising more unrestricted funds in the future. This will be an important way of ensuring that the charity remains independent of governments and is able to act quickly in situations which require rapid response - something government donors are not always able to do.

Inter Mediate concluded its first year of framework funding with two donors with strong relationships and a continuing commitment from both governments to receive funding for two further years. This support is vital to the charity's ability to plan for project implementation and anticipate future fundraising requirements.

This year with the pro bono support of Skadden Arps the charity set up an independent, tax-exempt non-profit organisation in the US, "Friends of Inter Mediate", and applied for 501 (c) 3 status under the Internal Revenue Service procedures. Five Board members have been appointed. The first meeting of the Board will take place in the coming months.

Future plans

Inter Mediate continues to research, evaluate and respond to conflict situations around the world, identifying situations in which the charity can play a useful role.

The charity has encouraged staff to use the training budget to avail themselves of courses supporting continuing professional development and will continue to do so.

Trustees' report Year to 31 March 2015

Inter Mediate continues to run a successful internship programme, and receives a high number of applications from strong candidates. Following a review, the board decided in February 2015 to offer six-month paid internships going forward from the new financial year - to ensure that we remain able to recruit the highest calibre individuals.

Financial Review

The charity is entirely dependent on grant and private donation funding.

During 2014-15, Inter Mediate had total incoming resources of £1,685,887 (2014 - £950,426) comprising unrestricted private donations of £11,000 (2014 - £10,299), grants of £1,674,201 (2014 - £936,604) and investment income of £686 (2014 - £3,523). The grant funding was restricted to specific purposes and subject to donor imposed conditions. Details of these restricted funds can be found in note 2 to the financial statements.

During the year, £1,499,989 (2014 - £973,583) was spent on restricted projects across Africa, Asia, the Middle East and the Americas, and a further £56,037 (2014 - £363,630) in scoping and developing projects across multiple regions, in furtherance of the charitable objectives. In addition, the charity spent £8,217 (2014 - £13,769) on its fundraising effort and £34,736 (2014 - £30,001) on governance costs.

Total funds of the charity at 31 March 2015 were £720,154 (2014 - £633,246), comprising restricted funds of £336,390 (2014 - £161,932) and unrestricted funds of £383,764 (2014 - £471,314). These funds are represented by tangible fixed assets with a net book value of £1,434 (2014 - £2,329) and net current assets of £718,720 (2014 - £630,917).

The trustees are keen to ensure the company's efficient running, to remain confident of meeting its forward commitments, and to provide assurance to its staff, partners and beneficiaries about its stability in the event of any significant delay in receipt of, reduction in, or cancellation of grant income.

As a result, the trustees have concluded that the company should maintain a reserve to ensure that it has sufficient unrestricted funds to enable it to meet its anticipated operating costs for at least the following four months. The level of free reserves required for this purpose is currently set at £320,000. All such reserves are to be held on bank deposit.

The unrestricted fund of £383,764 consists of: a designated new project development fund (£27,402) to allow us to engage with new opportunities quickly and effectively and develop such leads into project proposals for governments to fund; tangible fixed assets of £1,434; free reserves of £354,928 consisting of an operating reserve of £320,000 as described above and general funds of £34,928 to provide working capital and, thus, ensure that work is able to continue in situations where donors pay in arrears and/or between government funding cycles.

The trustees are seeking to increase the project development fund to £200,000 in order to facilitate existing plans for development new projects.

All committed liabilities are covered either in reserve or by available resources.

Trustees' report Year to 31 March 2015

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also directors of Inter Mediate for the purposes of company law) are responsible for preparing the trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities' SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITORS

Each of the trustees confirms that:

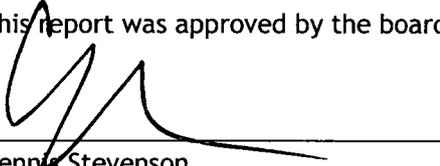

- so far as the trustee is aware, there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustee has taken all the steps that he/she ought to have taken as a trustee in order to make himself/herself aware of any relevant audit information and to establish that the charitable company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

In preparing the Trustees' report advantage has been taken of the small companies' regime.

Trustees' report Year to 31 March 2015

This report was approved by the board of trustees on 23 July 2015 and signed on their behalf by:

A handwritten signature in black ink, appearing to be 'Dennis Stevenson', written over a horizontal line.

Chairman

Independent auditor's report 31 March 2015

Independent auditor's report to the members of IM01 Limited

We have audited the financial statements of Inter Mediate for the year ended 31 March 2015 which comprise the statement of financial activities, the balance sheet, the principal accounting policies and the related notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Trustees and auditor

The trustees are also the directors of the charitable company for the purposes of company law. As explained more fully in the Trustees' Responsibilities Statement set out in the Trustees' Annual Report, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2015 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Independent auditor's report 31 March 2015

Opinion on other matter prescribed by the Companies Act 2006

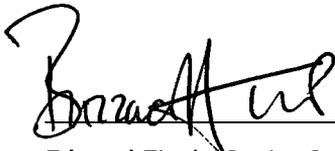

In our opinion the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

The Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to take advantage of the small companies exemption from the requirement to prepare a Strategic Report.

We have nothing to report in respect of these matters.

Edward Finch, Senior Statutory Auditor
for and on behalf of Buzzacott LLP, Statutory Auditor

Dennis Stevenson
Chairman

Approved on: 23 July 2015

Principal accounting policies year to 31 March 2015

Basis of accounting

The financial statements have been prepared under the historical cost convention and are in accordance with the requirements of the Companies Act 2006 and applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The Statement of Recommended Practice "Accounting and Reporting by Charities" (SORP 2005) has been followed in the preparation of these financial statements.

Incoming resources

Donations have been credited to the statement of financial activities on an accruals basis. Revenue grants are credited to the Statement of Financial Activities (SOFA) when the charity is considered to have entitlement to the assets, it is certain that the resources will be received, and the monetary value of incoming resources can be measured with sufficient reliability. Incoming resources are deferred only where the donor has imposed restrictions on the expenditure of resources which amount to pre-conditions for use which have not been met at the balance sheet date (e.g. the receipt in advance of a grant for expenditure in a future accounting period).

Grants from government and other agencies have been included either as income from activities in furtherance of the charity's objectives where these amount to support for specific activities and services, or as donations where the money is given in response to an appeal or with greater freedom of use, for example monies for core funding.

Resources expended

Expenditure has been charged to the Statement of Financial Activities on an accruals basis.

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and includes irrecoverable value added tax.

Resources expended comprise the following:

- The costs of generating funds represent the salaries, direct costs and overheads associated with generating income.
- The costs of charitable activities, which comprise expenditure on the charity's primary charitable purpose i.e. conflict resolution, reconciliation and peace building. These include support costs, which represent the staff costs incurred directly providing support for the charity's programmes. Support costs include general management, information technology, communications, insurance and other office support for the charity's programmes.
- The costs incurred in the governance of the charity and its assets. Expenditure that can be recognised as wholly attributable to governance costs, for example audit fees and trustee expenses, are directly allocated.

Resources expended are allocated to the particular activity on a direct basis or by allocation based on an estimate of the time spent by each member of staff on each activity or on an estimate of the proportion of costs relating to that activity.

Principal accounting policies year to 31 March 2015

Resources expended (continued)

Support costs, represent indirect charitable expenditure. In order to carry out primary purposes of the charity it is necessary to provide support such as general management, information technology, communications, insurance and other office support. These costs are allocated between activities they are supporting on the basis of staff numbers employed during the period and the effort and time required to support that activity.

Foreign exchange differences

Foreign currency transactions are translated into sterling at the rates ruling when they occurred. Foreign currency monetary assets and liabilities are translated at the rates ruling at the balance sheet date. Any differences are taken to the Statement of Financial Activities.

Taxation

The company is a charity within the meaning of Para 1 Schedule 6 Finance Act 2010. Accordingly the company is exempt from taxation in respect of income or capital gains within categories covered by Chapter 3 of Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets and depreciation

All assets with a cost greater than £1,000 and a life expectancy exceeding one year are capitalised.

Tangible fixed assets are included at cost. Depreciation of tangible fixed assets is provided at the following annual rates in order to write off each asset over its estimated useful life:

Fixtures, fittings and equipment - 25% straight line.

Pensions

The charity is part of an occupational pension scheme, which is a defined contribution scheme. The cost of contributions payable by the charity to the scheme is charged to the income and expenditure account as incurred.

Unrestricted funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the funder/donor or when funds are raised for particular restricted purposes.

Notes to the financial statements year to 31 March 2015

1 Donations

During the year the charity had donations receivable of £11,000 (2014 - £10,299) from individuals and charitable entities. There was no Gift Aid (2014 - £169).

Generation of income activities during the year focussed on networking and making contacts with potential sources of income for future years, rather than to conduct a funding drive for the current year as we had sufficient funds to carry out our objectives in the year.

2 Grants receivable

During the year, the charity's grants receivable for restricted purposes related to the following regions:

	2015 £	2014 £
Africa	215,560	-
Asia	972,194	663,417
Middle East	356,026	125,425
Americas	96,329	147,762
Europe	33,831	-
Non region specific	261	-
	<u>1,674,201</u>	<u>936,604</u>

We would like to acknowledge the following funders for their contributions towards furthering Inter Mediate objectives in these regions: Department of Foreign Affairs, Trade & Development (DFATD), Canada; Ministry of Foreign Affairs (MFA), Norway; Department for International Development (DFID), UK; Foreign & Commonwealth Office (FCO), UK; Federal Department of Foreign Affairs (FDFA), Switzerland; Ministry of Foreign Affairs (DANIDA), Denmark.

The new project development fund allows us to engage with new opportunities quickly and effectively and develop such leads into project proposals for governments to fund. We will look to top-up this fund with fundraising activities in the coming year.

All restricted transfers of funds were carried out with donors' permission.

Notes to the financial statements year to 31 March 2015

11 Trustees

No trustee received any remuneration from the charity during the year (2014: none). Trustees' reimbursed expenditure during the year totalled £nil (2014: £nil). The charity has taken out a trustee indemnity insurance policy costing £2,597 per annum which covers the trustees up to £1,000,000.

12 Related party transactions

During the year, Cloaca Maxima Limited (of which one of the trustees, Dennis Stevenson was a director until April 2013), provided rented office space to the charity at a favourable rate for the charity and received rental income of £76,400 (2014 - £45,600). There were no other related party transactions during the year.

13 Liability of members

The liability of each member is limited to £1, being the amount that each member undertakes to contribute to the assets of the Charity in the event of it being wound up while he or she is a member or within one year after he or she ceases to be a member.

14 Contingent liabilities

The charity receives certain income under funding arrangements which may allow for audit of expenditure in later periods. Under some circumstances, income may be repayable to donors. The trustees are not aware of any current circumstances that would give rise to such repayments and accordingly no provision is made against this eventuality in these financial statements.
